NOTICE FOR APPLICATION FOR WATER RIGHT

The following application(s) have been filed to appropriate the public waters of the State of Idaho:

75-15127

KEVIN MOORE, 2934 HWY 93 N, GIBBONSVILLE, ID 83463
Point of Diversion: SENE S11 T25N R21E LEMHI County
Source: NORTH FORK SALMON RIVER Tributary SALMON RIVER
Use: IRRIGATION 04/1 to 10/31 0.02 CFS
Total Diversion: 0.02 CFS
Date Filed: 05-05-2025
Place Of Use: IRRIGATION T25N R21E S11 NENE, SENE
Total Acres: 0.6

This application proposes the diversion and use of water from North Fork Salmon River tributary to the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because the diversion rate and acres will be applied to the subordination amounts specified in the decree for the Wild & Scenic River listed above.

Permits will be subject to all prior water rights. For additional information concerning the property location, contact the Eastern office at (208) 525-7161; or for a full description of the right(s),

Construction continues at Grouse Peak

On June 16, general contractor, Innovative Electrical Solutions, Inc. (IES), will begin the second phase of construction on the new Bonneville Power Administration (BPA) communications facility at the Grouse Peak South communications site in the Salmon-Challis National Forest, near Challis.

During this second construction phase, IES plans to build the communication facility building and tower. The HVAC system will be installed in the building and Salmon River Electric Cooperative will bring electric power from the existing junction box at the site to the facility. Related systems may be installed as time allows. Construction is expected to end for the season in October.

There is nothing wrong with you. There is a lot wrong with the world you live in. — Chris Colfer

protest against the approval of this application must be filed with the Director, Dept. of Water Resources, Eastern Region, 900 N SKYLINE DR STE A, IDAHO FALLS ID 83402-1718 together with a protest fee of $25.00 for each application on or before 6/16/2025. The protestant must also send a copy of the protest to the applicant.
