FERDINAND HIGHWAY DISTRICT
Regular Meeting
August 12, 2024

The Regular meeting of the Ferdinand Highway District Commissioners was called to order this date at 7:30 pm by Ron Riener at the District meeting room. Present were Commissioners Wally Williams, Ron Riener, Foreman Paul Schmidt, Gabe Riener and Clerk Joe Forsmann. Also present was Ralph Wassmuth, and Mark Riener.

Mayor Ralph visited with the Commissioners regarding water exchange for services. Exchanging with the Ferdinand Highway District would be appropriate. However, City water will not go out to other entities as a general rule. Ralph further elaborated that Ben Kuther has expressed building spec homes on property which would likely require an access above Paul Schmidt's house on Ferdinand Butte Rd.

MINUTES - Clerk provided minutes to the regular meeting July 18, 2024. Motion to approve the minutes was made by Commissioner Riener. Motion seconded by Commissioner Williams. Motion carried.

TREASURERS REPORT - The monthly treasurers' report was provided to those present.

Funds on Hand	$1,613,122.03
Receipts since last meeting	195,363.93
Expenditures since last meeting	59,325.25

Motion to approve the reports, and bills for payment was made by Commissioner Williams. Motion seconded by Commissioner Riener. Motion carried.

OLD BUSINESS – Mark provided a billing for rock produced in the past month and progress report on the total. Commissioners approved paying the bill and giving him a check.

Paul reported that he had visited on the phone with Tony Parker of Tiger Corp (Mower and broom). He inquired whether the District could pay for the mower and sweeper. Unanimous opinion was that his agreement is with Bell Equipment and not directly with the District. The District will not extend funds until acceptance of the unit. Paul further reported that the unit requires smaller tires than was on it to accommodate the mower. That has further stalled delivery.

NEW BUSINESS – None

BUDGET HEARING - Clerk Forsmann provided copies of the budget as published. After discussion, a motion to approve the budget was made by Commissioner Williams. Motion seconded by Commissioner Riener. Motion carried.

There being no further business, a motion to adjourn was made by Commissioner Riener and seconded by Commissioner Williams. Motion carried and the meeting was adjourned at 9:34 pm.
