John's report:

Went and got new steer tires on Ford dump truck.

Seen another big honey wagon tractor w/trailer coming down the road and tearing up the pavement. It went off the road where there was no entrance/exit. Has videoed it and took pictures of them on the road. John will go to the county commissioner's meeting.

Sold the backhoe for $3500.

New bristles installed on the broom.

New signs put up.

New mower is fully serviced. The lever did not work for the 3-point, so they fixed it before it was delivered.

Put some gravel at 3600 S Road entrance at Van Dyk's to get ready to chip seal.

Pulled a few trees with the new backhoe.

Brian from WHD and John worked on the city of Wendell's paint truck for quite a while. It had not been cleaned out properly last year. Then they used it on WPHD roads. They asked John if he could run it to do their painting.

Helped HHD with fog sealing.

Helped GHD all last week.

Has tabs on half of the roads scheduled to chip seal.

Ron made a motion to adjourn, Jerry seconded. 7:58 pm
